Stall allocation

Please report to a member of our team on arrival who will show you to your allocated space.

For markets in Cannon Park Shopping Centre - 9am till 5pm ARRIVE NO EARLIER THAN 7.30AM

Arrival and unloading

Coventry: You can unload in the area of the car park just past Lynchgate House, near the large oak tree.

See a member of our team by entering the centre, who will show you to your pitch. Please unload as quickly as possible to avoid blockages and delays.

Parking is close but you will need to walk your stall in, we recommend you bring a trolley to move items.

Parking is FREE all day.

Once your gazebo (if using) is erected, please wait for a member of our team to check your positioning before placing your tables and displaying your items. We have strict placement criteria that we must adhere to and it is a lot harder to move stalls once they are set up. Please be patient with us at this time, we know you are eager to get set up but we cannot control when people arrive and we will go through periods of time during set up when we get very busy.

You will need to be set up and ready to trade by the listed start time.

Packing up at the end of the day.

You can start packing up from 4pm.

We look forward to you joining us and hope you have a very successful event
