

# Medical Policy

If you have a pre-existing condition that may affect you during an event, please email us at [acmnuneaton@gmail.com](mailto:acmnuneaton@gmail.com) to advise us of anything we need to know and an emergency contact.

ACM have 3 qualified first aiders.

If you have a minor medical need during an event, please speak to the event manager on the day who will have access to a first aid kit, which includes instant cold packs, burn dressings, burn spray and blankets suitable for outdoor use.

For any serious medical issue, please call 999 and advise a member of the ACM team or your nearest stall so our First Aider can assist whilst you wait for help to arrive.
