

Gazebo Hire Policy

ACM are committed to supporting stall holders to access our events and support new traders to start out on their journey to selling in person.

ACM have a small amount of gazebos that we hire out at as many events as possible.

Nuneaton & Hinckley - Gazebos will be erected ready for when you arrive, complete with weights.

We try to erect gazebos in a row, where possible.

If wind is forecast above 25mph we will not attach the back wall. If wind is forecast above 35mph we will not erect the gazebo. If you have purchased cancellation insurance, you will get a full refund.

We may not attach side walls.

Cannon Park Coventry – Gazebos will NOT be erected; you will need to carry it and the weights from the car park to the pitch.

When you rent a gazebo, you agree to the following

- To not damage it any way
- To carry it without dragging it on the floor
- To not put it up on your own, they must be erected with a minimum of 2 people
- Not to attach anything to the gazebo structure
- To not lean anything on a wall
- To not use a generator, gas or an electric hook up
- To let us know before 7am if you are not going to be able to attend
